Caring About Our Future

The administrators work this year will bring about two major changes for students at Mt. Everett. The first change is the new Carnegie Model School building. The administration is seriously involved in this project. The new school will offer new technologies and better equipped facilities. The second major change is the reconstruction of the school day, otherwise known as the Odyssey program. The administration has positive feelings for both projects and is working hard to ensure that students of Mt. Everett are getting the best education possible.

Improvement on the Horizon

Teachers and students come to our campus throughout the year. As times and education change, the faculty and staff at Mt. Everett change as well. They incorporate new, or sometimes perhaps only different, strategies to improve the quality of education that takes place at Mt. Everett.

As we approach the twenty-first century, the new facility being built to the east of the school will serve to extend the school's capacity to meet the needs of all students and the community.

Enthusiastic Play by Dan Lowe

The season had its ups and downs. The team played well for most of the season, but the competition was tough. They had their times when nothing would go right, but everything turned out okay in the end. Despite having to get use to a new coaching style, the team played with enthusiasm.

GIRLS' SOCCER

Haunting Ties by Amy E. Joch

With high expectations and high goals, the Eagles entered the season with a positive attitude. The Eagles were led to within one game of a Western Mass. bid by Coach Krol. The team was very young but competitive. The Lady Eagles' four ties came back to haunt their chances for a Western Mass. bid.

BOYS' BASKETBALL

Tournament Time, Baby! by Chris Thompson

The Mount Everett boys' basketball team, under Coach Randy Koldys, is on its way to the Western Massachusetts Tournament. The goal of the team all year was to get to the tournament, and they have. The Eagles have been praised for the tough defense and exciting offense. One of the top 3-point-shooting teams in the county, the Eagles were the pre-season favorite to win the Southern Division, but two 3-point losses to Mt. Greylock, won in overtime, made winning the division championship unlikely. At yearbook deadline time, tournament play was still to come.

WRESTLING

A Deficient Team by Dan Lanoue

The Mt. Everett wrestling team did not have many members, but competed with the best in the state. Many of the members were seventh and eighth graders. Captain Dan Lanoue posted a regular season record of 24-0, and was striving for the Western Mass. and State titles. "The team took their lumps and bruises this year, but the next couple of years they will be a strong team," said Coach Priotti.

CHEERLEADING

Keeping the Spirit by Amy Menin

The Mt. Everett cheerleading squad has persevered despite many setbacks this year. The four remaining cheerleaders have worked extra hard to stay together and cheer to support their teams with the frustration and disappointment of so many members quitting. Despite it all we have not given up and our spirit is as strong as ever.

MEETING

*We have come upon a no win
situation.*

War.

*Our brave men and women
are giving their lives
in the name of freedom
to force Saddam Hussein out of Kuwait.
No one knows how long this war will last
as both sides say they will win.*

*We hope
that the Allied Forces prevail soon,
so that our soldiers
can come home
to their families and loved ones.*

*William L. Thieriot
Editor-in-Chief*
